

Hill 'N Dale Hikers

Hike on Water !!!

Join us for a 4-hour relaxing float down the Elk River in Missouri.

Date: Wednesday April 27, 2011

Rain Date: Thursday April 28, 2011

Meet as usual at Harps parking lot at Town Center at 8:00 am.

We'll carpool to the Elk River (approx. 25 miles).

Floats will be 6 person rafts (\$100 per raft) or 2 person canoes (\$35 per canoe).

Prices will include paddles, life jackets and shuttle.

Rafts are perfect for folks who don't want to worry about tipping over, or groups that just want to stay together.

Participants will pay the outfitter on the day of the trip. At this time we are considering one of 3 outfitters along the Elk River.

We will have lunch at a restaurant in either Noel or Pineville.

This trip will be an easy introduction to water activities. If this trip is successful we will plan a more adventurous water trip later this year.

Make your reservations by Monday April 25, to Paul Healy at 479-876-6625 or pd4452@cox.net. This will ensure you will be contacted if plans change at the last minute.
